I understand that ORC has some sort of off-site retreat today, so Rich is likely out. Maybe we should wait till tomorrow, get things squared away re: CC's and the Small Business Handout, and then send to AS for signature.

Re: Fw: PTP Inc. Demand Letter

Okay. Why don't you and Rich reach closure on potential ccs so I can add them too, if needed, before it goes to AS. Also, if she signs today, who has the certified mail paperwork? Thanks.

David

Aaron,

OK, we're good to go. Please review and then give to Alexis to send out! Please make me a copy too. Don't forget to attach the Small Business handout.

Ann,

For your review and comments, please.

fyi - the lawyer who represented PTP in the 402 matter in 2005 no longer represents them, so that's why I'm suggesting the demand letter goes out under Alexis' signature.

Rich
